*Limitations and restrictions apply. Visit ContourChoice.com for details. Eligible privately insured patients pay the first \$15 of co-pay on prescription of 300 test strips or less, and this CONTOUR® Choice co-pay card ("card") will cover up to \$35 of remaining co-pay for Bayer test strips. For quantities over 300 test strips, card benefits and patient contributions increase accordingly. Valid up to 12 uses through 12/31/2015. Cash patients can visit ContourChoice.com for separate card and program details. Limit one (1) card per patient. Card cannot be redeemed for cash or combined with other programs, coupons or discounts. Not eligible for government insurance programs (e.g. Medicare / Medicaid). Void where prohibited. Bayer reserves the right to cancel this program without notice. Offer expires 12/31/2015.

†Average retail price per 50ct., IRI data, 52 week period ending 3/30/14.

‡For diabetes monitors, test strips, lancets, and lancing devices, Medicare requires you to pay 20% of the Medicare-approved amount after your yearly Part B deductible.
